Quality Policy Statement

Fundamentals (*We / Us / Our*) specialises in the design, manufacture, supply, installation and servicing of Specialist Voltage Control, Monitoring, Transformer Tap-changer, and Electrical Power Equipment for the Electrical Power Industry.

Our activities place emphasis upon experience, expertise, capability, learning and quality.

In order to satisfy these requirements, we recognise the importance of continuous improvement of the Quality Management System and applying a Quality Philosophy concentrating on measures to prevent errors.

We aim to provide Product and Services to meet and where possible exceed *our* Customers' agreed requirements in a manner, which conforms to contractual and regulatory requirements.

This and other stated Objectives agreed within the Management Review process will be embodied through measured targets for *us*.

We will ensure that all members of staff are provided with the necessary resources and training.

We will operate a Quality Management System that meets the requirements of ISO9001:2015 and will ensure that quality standards are constantly met and improved.
